

Atishree Sood

COUNSEL

Atishree Sood is a Counsel with more than 15 years of experience in intellectual property, data protection and technology law. Her practice focuses on intellectual property prosecution and litigation, particularly trademarks, copyrights, designs and domain name disputes. She has extensive experience in civil and commercial litigation before the High Court of Delhi and the Supreme Court of India and advises clients on strategies for the protection and enforcement of their intellectual property rights.

Atishree advises on all aspects of trademark prosecution, including pre-filing strategies, prosecution checks, examination reports, hearings before the Trade Marks Office, oppositions, cancellations, assignments and licensing. She also handles intellectual property litigation, including disputes involving trademark, copyright and design infringement, and domain name disputes. Since 2019, she has been registered as a facilitator with the Trade Marks Office under the Government of India's Start-up Intellectual Property Protection (SIPP) scheme.

She also advises on data privacy, protection and compliance, including issues arising under India's evolving data protection framework and the Digital Personal Data Protection Act. Her practice further covers legal issues at the intersection of data governance, technology and intellectual property.

Atishree has completed the Executive Development Programme in Data Protection and Artificial Intelligence: Law, Policy and Practice from Dhirubhai Ambani University, School of Law, strengthening her understanding of data protection regulation and the governance of emerging technologies, including artificial intelligence.
